Quality People. Quality Housing. Quality Services. 2017 Issue - October Edition

Words From The Executive Director, Dorian Rawles

Thanks for coming out to our 3rd Annual "Boo Night." It always makes me feel good to see children, parents, and our employees socializing together in our tight-knit community.

We are always striving to create a family atmosphere here in Westwego and we will continue to do that as we celebrate our seniors this month.

# THIRD ANNUAL BOO NIGHT IS A FRIGHTFUL SUCCESS

More than 100 children, parents and staff members enjoyed the Westwego Housing Authority's Second Annual "Boo Night" on October 27th.

Children were treated with two bounce houses, bags of candy, a party bus, a DJ and lots of food.

Most children arrived in costumes such as Wonder Woman, Spiderman, princesses, witches, vampires, and a few football players.

you drive through the neighborhood. Just last month there was an automobile accident on Sixth street. Police, EMS and the fire department were called to assist overturned and damaged vehicles. We have a lot of small children walking through the neighborhood along with seniors who have mobility issues.

Another way to maintain a safe neighborhood is to know your neighbors. Do you live next to an elderly couple that stays home, but sometimes needs help? Or is there a teenage driver in the family? Are there small children you need to look out for? Knowing these things helps you be aware of who is in your neighborhood and how we can help each other.

Also please be advised that the waiting list is temporarily closed. We will notify you of any changes in the near future.

*With kind regards, I remain...
